THE GROVESTEEN PIANO FORTE still retains its precedence and great popularity, and after undergoing gradual improvements, for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume, and purity of tone, durability and cheapness. Our new scale, French action, harp pedal, iron frame, over-strung bass, seven octave, rosewood pianos we are selling cheaper by from 100 to \$200 than the same style and finish, are sold by any other first-class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing this Catalogue. Models, almost without number, have been awarded to the Grovesteen Piano, and at the Celebrated World's Fair, though put in competition with others from all parts of Europe and the United States, it took the highest award.

The President on the Rebel Rebs.

BRIEF FROM MR. JOHNSON TO GOVERNOR HOLDEN:

The Rleigh Standard publishes the following:

The following important despatch was received from the President of the United States by Governor Holden, and was at once forwarded by him to the President of the Convention.

"We presume there is no doubt but the Convention will at once act unanimously in response to this message:

WASHINGTON CITY, Oct. 18, 1865.

W. W. Holden, Provisional Governor:

Every dollar of the State debt created to aid the rebellion against the United States should be repudiated, finally and forever. The great mass of the people should not be taxed to pay a debt to aid in carrying on a rebellion which they, in fact, if left to themselves, were opposed to. Let those who have given their means for the obligations of the State look to that power they tried to establish in violation of law, Constitution and will of the people. They must meet their fate. It is their misfortune, and cannot be recognized by the people of any State professing themselves loyal to the Government of the United States and in the Union.

I repeat that the loyal people of North Carolina should be exonerated from the payment of every dollar of indebtedness created to aid in carrying on the rebellion. I trust and hope that the people of North Carolina will wash their hands of everything that partakes in the slightest degree of the rebellion, which has been so recently crushed by the strong arm of the Government, in carrying out the obligations imposed by the Constitution of the Union.

ANDREW JOHNSON,
President United States.

The Pope and the Freemasons.

The Paris Journal des Debats has the following:

The Holy Father has taken occasion of the last consistory to reprobate secret societies, and especially that of the Freemasons, which aims at the ruin of the church and all civil government. It would be hard to persuade us that this is the end aimed at, at least in France, by a body who only six months ago had at its head Marshal Magenta, and who still has amongst its members men highly distinguished in the government, the army, and the Chambers. We

even believe that there is more than one mason in the army which upholds at Rome the temporal power. All these conspirators will be astonished to find that, without their knowledge, they have been engaged in a plot for the destruction of the Church and civil authority, and that they are excommunicated; for the Pontifical allocution ends with a formal excommunication.

In order to impress the faithful with a just horror of freemasonry the Pope refers to the mysteries which it celebrates and the oaths which it imposes on its adepts. The Pope, of course, knows all about the mysteries and these oaths, but we believe that there are very few even of the freemasons themselves who could boast that they know so much.

FIRE AND LOSS OF LIFE AT CHARLESTON.—A disastrous fire, attended with loss of life, occurred in Charleston, S. C., on Wednesday of last week. It was in the business part of the city, and destroyed several mercantile and manufacturing establishments and a newspaper office. The loss is estimated at one hundred thousand dollars. Thirty or forty persons were buried in the ruins, from fifteen to twenty of whom, it is thought, were instantly killed. The others were extricated in a dreadfully injured and suffering condition.

The flames originated in a building on Hayne street, occupied as a wholesale grocery by W. H. Chafee, and a dry goods store by Burge & Co., which was destroyed, together with the printing office, presses, &c., of the Courier, and the saddlery establishment of Hastic, Calhoun & Co. Mr. Chafee sustained a loss of \$25,000, insurance \$15,000; Burge & Co.'s building, adjoining the Courier office, sustained a damage of \$5,000.

The statements of the guerrilla Champ Ferguson, made shortly before his execution to the reporters of the Nashville papers, exceed in innumerable atrocity and cruelty all that has heretofore been told of this hardened scoundrel. He admits that he had killed a great many men, but shields himself under the pretense that they were his personal enemies. One man he killed whilst lying wounded in a hospital, because he thought he might get well and give him trouble. Another was killed to put him out of misery, he being fatally wounded. He confesses to the killing of twenty men, all in cold blood, and some under circumstances of shocking barbarity. Of the side shows at our late County Fair, was arrested for robbing a trunk of some \$4 in silver change, and bound over in \$100 for her appearance at court.

Episcopal Bishop.

At the late Episcopal Convention in Philadelphia, the Rev. R. H. CLARKSON, D. D., of Chicago, formerly of Gettysburg, was elected Bishop of Nebraska.

The following notice of him is given in the papers:

BISHOP CLARKSON.—The Rev. Robert H. Clarkson, D. D., the Episcopal Bishop elect of Nebraska, is a native of Penna. He was born at Gettysburg, although his family originally belonged to Philadelphia.—He graduated with the honors of his class at Pennsylvania College, in 1844, studied for the ministry under the Rev. Dr. Kerfoot, in Maryland, and was called to St. James' Church, Chicago, in 1849, on his first entering the ministry, where he has been ever since. One of the largest Episcopal parishes in the country has grown up under his care. He is thirty eight years of age, and will be, when consecrated, the youngest Bishop on the Episcopal bench. Dr. Clarkson was the first assistant secretary of the house of clerical and lay deputies of the convention lately in session in Philadelphia, and made a courteous and efficient officer.

Steamboat competition on the James river has reached its ultimatum. Both lines are carrying passengers for nothing, and throw in the rival attractions of a band of music and free drinks. It is good to know there is something cheap in the world.

STOCKING OCCURRENCE.—A party of children recently discovered a bombshell in the woods, near Bradenbury, Kentucky. While playing with the shell it exploded, killing and wounding nine of the children.

Bracelet Lost.

A Twisted Hair Bracelet, with Minature in Gold Clasp, was lost last week, it is thought on the street. The finder, leaving it at the "Sentinel" Office, will be suitably rewarded.

RE—We received, a few days ago, two splendid gallon-cans of Peaches from our esteemed friend, Rev. P. RABY, who is about to leave the Petersburgh charge for that of Middletown, Dauphin county, Pa. He has our hearty thanks for his nice present. We wish him success in his new field of action, and hope he may have a pleasant home and kind parishioners. The peaches are from the establishment of our energetic friend, Mr. H. PETERS, of York Springs, who does a large business in this line, and does it well, as he does everything else, even political action included.

RE—The pleasant residence of Mr. M. Eichberger, in Chambersburg street, has been purchased by Hon. E. McPherson, for \$3,000.

Alexander Spangler has purchased the property of Joseph Brodhead on Carlisle street, for \$1,600 cash.

D. K. Snyder, as agent, has sold the property of Jacob Miller on High street, to Peter Hoffman, for \$500 cash.

Benjamin Tyson has purchased the property of Peter Hoffman on High street, for \$1,500 cash.

George Swope, Esq., has sold his Mill property in Franklin township, to Paul Sowers, at \$500.

Michael Spangler has purchased Mr. Cannon's share of the Corser property for \$1600.

RE—A sale of Hanover Savings Fund stock took place at Hanover a few days ago, and it brought about \$18,45—the par value \$10. This shows great confidence in the institution.

RE—The beautiful property called "Pleasant Hill," on Baltimore street, Hanover, which has been recently unoccupied, was sold a few weeks ago to Isaac Loucks and L. F. Melshimer, for \$14,000, cash.

RE—We have received a pamphlet, just published, containing the Address delivered at the Inauguration of Rev. Dr. BROWN, as Professor of Theology in the Theological Seminary in this place, Aug. 8th, 1865. They are the Charge of Rev. Dr. LOCHMAN, and the Address of Dr. BROWN. Both are of very deep interest, and we have perused them with great satisfaction. The pamphlet is for sale at the Bookstore of A. D. Buehler.

RE—Hon. E. McPHENSON is absent in New Jersey, in company with other distinguished speakers, "stumping" the State.

The flames originated in a building on Hayne street, occupied as a wholesale grocery by W. H. Chafee, and a dry goods store by Burge & Co., which was destroyed, together with the printing office, presses, &c., of the Courier, and the saddlery establishment of Hastic, Calhoun & Co. Mr. Chafee sustained a loss of \$25,000, insurance \$15,000; Burge & Co.'s building, adjoining the Courier office, sustained a damage of \$5,000.

He confesses to the killing of twenty men, all in cold blood, and some under circumstances of shocking barbarity. Of the side shows at our late County Fair, was arrested for robbing a trunk of some \$4 in silver change, and bound over in \$100 for her appearance at court.

RE—Messrs. Culp & Burnshaw have nearly under roof a new brick warehouse, on the corner of Railroad and Washington streets. The building is large and substantial, and will give its proprietors room for an extensive business. We suppose they will be able to occupy it in a few weeks.

RE—We omit a table of the returns of the State this week, as the list is not yet complete. We shall give the official return hereafter. Gen. Hartshorn's majority is about 20,000, and the Union majority in the House is 30—in the Senate 7, certain, and probably 8.

RE—A petition from eminent Italians has been presented to President Johnson for the pardon of Jefferson Davis. The President expressed his surprise that they should "pled for Jefferson Davis."

RE—Mr. C. B. Hanes, of this place, has leased "Steno's Hotel," Canal street, Harrisburg, and will shortly remove there.

Commissioner of Internal Revenue.

We are authorized to say that Hon. E. A. ROLLINS, Assistant Commissioner, has been designated to fill the office of Commissioner of Internal Revenue, in place of Hon. Wm. Orton, resigned. This is undoubtedly a judicious appointment.

BISHOP CLARKSON.—The Rev. Robert H. Clarkson, D. D., the Episcopal Bishop elect of Nebraska, is a native of Penna. He was born at Gettysburg, although his family originally belonged to Philadelphia.—He graduated with the honors of his class at Pennsylvania College, in 1844, studied for the ministry under the Rev. One of the largest Episcopal parishes in the country has grown up under his care. He is thirty eight years of age, and will be, when consecrated, the youngest Bishop on the Episcopal bench. Dr. Clarkson was the first assistant secretary of the house of clerical and lay deputies of the convention lately in session in Philadelphia, and made a courteous and efficient officer.

RE—The Illinois Fat Girl, aged 19 years and weighing 600 pounds, who was one of the side shows at our late County Fair, was arrested for robbing a trunk of some \$4 in silver change, and bound over in \$100 for her appearance at court.

Episcopal Bishop.

At the late Episcopal Convention in Philadelphia, the Rev. R. H. CLARKSON, D. D., of Chicago, formerly of Gettysburg, was elected Bishop of Nebraska.

The following notice of him is given in the papers:

BISHOP CLARKSON.—The Rev. Robert H. Clarkson, D. D., the Episcopal Bishop elect of Nebraska, is a native of Penna. He was born at Gettysburg, although his family originally belonged to Philadelphia.—He graduated with the honors of his class at Pennsylvania College, in 1844, studied for the ministry under the Rev. Dr. Kerfoot, in Maryland, and was called to St. James' Church, Chicago, in 1849, on his first entering the ministry, where he has been ever since. One of the largest Episcopal parishes in the country has grown up under his care. He is thirty eight years of age, and will be, when consecrated, the youngest Bishop on the Episcopal bench. Dr. Clarkson was the first assistant secretary of the house of clerical and lay deputies of the convention lately in session in Philadelphia, and made a courteous and efficient officer.

RE—Steamboat competition on the James river has reached its ultimatum. Both lines are carrying passengers for nothing, and throw in the rival attractions of a band of music and free drinks. It is good to know there is something cheap in the world.

STOCKING OCCURRENCE.—A party of children recently discovered a bombshell in the woods, near Bradenbury, Kentucky.

While playing with the shell it exploded, killing and wounding nine of the children.

Senatorship.

Communicated.

The Army vote returned is cast solidly

for Mr. McCONAUGHEY, and reduces the

majority on the House vote against him to

25. No returns of soldier votes have yet

been received from Texas, whether a Com-

missioner was sent—and which vote, if cast,

would change the result, and give Mr.

McCONAUGHEY a majority. Mr. DUNCAN

may receive the certificate, but Mr. McCON-

AUGHEY owes it to himself and the loyal

voters of this District, and to the vindication

of the violated law, to contest and as-

sert his claim to the seat.

In this County alone Mr. DUNCAN re-

ceived eighty votes east by deserters from

the Army and the Draft, and refugees to

avoid the draft—of whom about fifty were

deserters. In the District probably one

hundred deserters voted for Mr. DUNCAN,

and in Adams alone he received one hun-

dred illegal votes. Under these circum-

stances a contest of his seat, if he receive

the certificate, is inevitable. The Union

men of this County and District justly de-

mand that no man shall represent it in the

Senate, resting his claim upon a majority

made up of skulkers and deserters from

the army and the draft. Nullification of a

plain law of the land has been attempted,

and if not thus defeated, will be consummated.

A number of business committees were

employed previous to adjournment.

EVENING SESSION, Oct. 25th, 1865.

The exercises of the evening session were

opened with prayer by Rev. Couser, and several

well executed pieces by the "Musical

Association."

The principal feature of the evening

session was a class drill in elocutionary

reading, conducted by Miss Emilie

Hampton. The drill was in the reading of

Edgar A. Poe's "Bells." Miss Hampton

was well received by the association.

The exercises of the evening session were

opened with a recitation of the "Educational Responsibility" by Miss

Ollie E. Chronister, which subject was after-

wardly discussed by David A. Buehler,

Esa. Rev. Conser, and Messrs. A. Sheely

and S. Wintrot. In the evening session

the Association adopted a series of resolutions

introduced by Mr. Sheely, as a token of respect

to the memory of J. Kersey Cook.

two) Elliptic Pins, Refined Steel Springs,
ingeniously braced tightly and firmly to
gether, edge to edge, making the toughest,
most flexible, elastic and durable Skirt
ever used. They seldom bend or break, like
the Single Springs, and consequently pre-
serve their perfect and beautiful Shape more
than twice as long as any Single Spring
Skirt that either can be made.

The wonderful flexibility and great com-
fort and pleasure to any Lady wearing the
Duplex Elliptic Skirt will be experienced
particularly in all crowded Assemblies,
Operas, Carriages, Ra road Cars, Church
Pews, Arm Chairs, for Promenade and House
Dress, as the Skirt can be folded when in use
to occupy a small place as easily and con-
veniently as a Silk or Muslin Dress.

A Lady having enjoyed the Pleasure,
Comfort and Great Convenience of wearing
the Duplex Elliptic Steel Spring Skirt for a
single day will never afterwards willingly
dispute with their use. For Children, Mis-
sions and Young Ladies they are superior to all
others.

The hoops are covered with 2 ply double
twisted thread and will wear twice as long as
the Single yarn covering which is used on all
Single Steel Hoop Skirts.

The three buttons on every Skirt are also Double Steel,
and double covered to prevent the exertion
from wearing of the rods when dragging
down stairs, stone steps, &c., &c., which they
are constantly subject to when in use.

All are made of the new and elegant Cor-
d Tapas, and are the best quality in every
part, giving to the wearer the most graceful

Something New!

THE WORLD RENOWNED WILLOUGHBY'S
SPRING GUM GRAIN DRILL.

MANUFACTURED BY CROMWELL & DAVISON, GREEN-
CASTLE, FRANKLIN CO., PA.

THIS Celebrated Drill is superior to any
other machine of the kind yet introduced
to the public. Among its advantages are
these: It distributes the grain with perfect
regularity. It never chokes or breaks the
grain, round or fast or slow driving,
will not vary the quantity sown to the agree-
ment. It can be regulated whilst in motion.
It is perfectly noiseless.

It requires fifty per cent less power to
drive it than any other machine in the mar-
ket. A girl twelve years of age can work it
easily, without fatigue or injury to health.

Its strength and "Wonderful Simplicity"
of construction renders it almost impossible
to get out of order and is guaranteed by the
Company to give entire satisfaction.

THE GUANO ATTACHMENT.

This invention for sowing ALL KINDS
of Guano and Compost makes the Drill per-
fect and complete. It sows the grain and
manures the ground at the same time.

The construction of the Attachment is very sim-
ple and easily repaired. It will sow from one
to twenty bushels to the acre, and the seed
can be regulated whilst in motion, to suit
soil or rich ground.

These machines are now in full operation
and are required to pay your dollar unless you are
satisfied with the article, which will certainly
be worth more than that amount, and may be fifty or
one hundred dollars. An excellent mode of invest-
ing a dollar.—Sunday Times, N. Y. City.

Mr. Adams & Co. have long been per-
sons known to us, and we believe them to be
the very worth of public confidence.—N. Y.
Scottish American, June 11, 1864.

We have inspected, at the office of Adams &
Co.'s Agency for European Manufacturing Jew-
elers, a large assortment of fashionable and valuable
jewelry of the newest patterns. We also no-
ticed a large quantity of silver plate, and under-
stand that the whole of these newly imported
articles are to be disposed of on a novel principle,
giving great advantages to buyers, and affording
extreme satisfaction to sellers. We know the
character of their goods and the terms of
disposal. Ladies, especially, in all parts of the
country, are realizing handsome profits as agents,
and if any of our fair readers desire to interest
themselves in the enterprise, they may do so with
perfect confidence.

GREAT GIFT DISTRIBUTION.—A rare oppor-
tunity is offered for obtaining watches, chains, dia-

are not required to pay your dollar unless you are
satisfied with the article, which will certainly
be worth more than that amount, and may be fifty or
